“ *My sincerest condolences to Kay and her family. I will always remember Gary as a humble and kind person. Any time I saw him, he had a friendly hello and always asked how I was doing. We chatted several times at Lafon's Auto and his conversation always included how much his family meant to him. Their accomplishments and endeavors were important to him.*

The Level Green community will not be the same without Gary.

Special prayers are sent to Ralph and Jean as well.

*Sincerely,
Karen Link*
