

## Georgene Josephine Huber

February 20, 1931 - September 15, 2022

Georgene Josephine Lukes Huber, 91, of Blacksburg, died Thursday, September 15, 2022. She was born in Flushing, NY, on February 20, 1931 to the late Josef and Zdenka Prockar Lukes. Georgene was the first child of her family born in the US after her parents and two sisters Rose Marie and Sylvia emigrated from Czechoslovakia to the United States. Raised in Flushing, NY, her family was active in the vibrant Czech-American community in New York. Georgene met her future husband while a student at Queens College and working at her parents' ice cream parlour that bore her name. Georgene and Bill were married for 71 years. After working at the National Bureau of Standards in Washington, DC, Georgene and Bill raised their two children, Jeanne and Bill, in Westbury, NY, later moving to Westport, CT, and eventually Blacksburg to be closer to her grandchildren. Georgene loved to travel (especially to Czechoslovakia), dance and entertain, and is well remembered for her generous servings on short notice. She especially loved her family, including her children, grandchildren, great-grandchildren, nieces and nephews and their spouses. Georgene is survived by her husband, Bill Huber, her daughter Jeanne Huber-Happy and son Bill Huber and daughter-in-law Lynn Huber, by her grandchildren Kelsey Pasquarell, Clare Humphrys, Julian Happy, and Ben Huber, their spouses Micah Pasquarell, Adam Humphrys, Katherine Happy, and Elysia Huber. Great grandchildren: Grace Pasquarell, Dominic Pasquarell, Beatrice Pasquarell, John Pasquarell, Evelyn Humphrys and Declan Humphrys. The family will receive friends Wednesday September

“ I’m sure I’m not alone in remembering how much Georgene loved any kind of outing. Whether it was a meal in a restaurant, a drive in the country, or a trip to a park.

*I wish I had thanked her directly for all the outings she and my mother organized for us when we were kids. Every summer, she found excuses to take us places—and by us, I mean me and my siblings, along with her children, Billy and Jeanne, who are my cousins. I particularly remember an amusement park we went to several times each summer. At first I was worried that it was going to be some boring “kiddie” type amusement park, with dull rides and a hall of mirrors. But no. She had found us an amusement park where even the carousel went fast enough to be exciting. The roller coaster was so scary that I wouldn’t even go on it the first year. Later on, at her urging, I grew more adventurous. And better yet, due to her wise counsel, most of the time we were able to handle the rides and the cotton candy without getting sick.*

*That park, and some other outings she organized, were the highlights of my summer. A good time was had by all. She knew it, too, which is why I think she was so determined to make sure we got those particular treats.*

*She was always a generous hostess, she was always anxious to make sure that everyone had a good time, so we would all have a happy memory of the fun we had as cousins.*

*She didn’t have to do it. But I am so glad and grateful that she did.*

*In loving memory of my wonderful aunt,*
