“ Mommy I pray you're finally getting the peace you only always wanted and deserved and no one can hurt you anymore!! You deserved so much better than this life threw at you!! I kept my promise as you knew I would. You Knew!!! Momma guess what?? Not only do you have one granddaughter named after you Mommy but Makalyla named both her precious beautiful daughter's after you now you have Makayla Jean, Ariella Jean, and Avery Jean. We know you're watching them grow. I was so touched when they told me they were naming Ariella after you and even more when they named Avery after you as well!! We feel you with us all the time I miss you so much and I cherish those last 3 years that I was able to spend all my time with you help you heal from a broken heart and everyday you making me laugh! Mikey moved over 3 yrs and in school. Your beautiful KaylaBugs is still working full time and lives what she does and getting her RN. Lil Ricky Ricky got his mastered in June and he said I know Mamaw is proud we had a nice celebration but the kids and I missed you sharing our special day with us.
