“ Praying for Gwen's entire family during these difficult days. My memories of her go back many years, and I am thinking especially of the blessing she was to my family in England when she and John were missionaries there. When my dad passed away they were the only ones, other than family, who came to his funeral - what a blessing, and what an encouragement Gwen was through the years to my sister and me. I will miss her, as I know John and the family will too, but she is with the Lord now and free from all pain. Love you, dear friends.

“ Gwen was a ray of sunshine! Her Godly joy will long be remembered. Every time I walk in the church I think of her huge smile and heart! I will miss going on our Seneca Baptist website to see Gwen is watching. I love you Gwen- you will never know how much just seeing you did for me! I am very happy for you though! All the praise for God now! Connie
