“ *TO Debbie, Tanner and all of his many Friends and Fire Dept. Members. David's passing is shock to us all. He always found time for everyone! Smiles and chuckles were common with him. He would stop by the house when i lived behind the Fire Station and tell me to be good or he would blow that siren! I pray that God will send his Grace and Love to each and every one at this very Sad time. R.I.P. my very good friend and we'll see each other in Heaven one day, that's a guarantee!Andy and Kathy*
