“Tommy Tom” is what ii called him. Every time I went in his room he’d smile ear to ear with that beautiful smile and say something soo sweet. I’m thankful I got to meet Tom and be his nurse for couple months. He was one of the sweetest residents I’ve met by far, he taught me things I didn’t even know ii needed to know.. he made me more compassionate.. & made me realize sometimes you just have to pause for a moment.. slow down and just talk and laugh it out.

“Daddy Tom, you will be greatly missed. You were an integral part of my life beginning at age 6. I remember how captivating it was to hear you sing & play music...such God given talent. My sincerest condolences go out to his children, with a special prayer going up for my brother, Tommy McCoy to receive peace of mind & healing of his heart. Peace be with you all. Jennifer Lively

Jennifer,

Tom was such a good man, he spoke to you several times on the phone over the past few years. Tom was proud of you for the woman you have become. Thank you for your kind words. I know we will miss him. However, as long as he is in our heart and mind he is with us. Take comfort in knowing he loved you very much.

“ Tommy, you sure lit up a room. Your beautiful smile and Lord did you have a God given voice. I will always remember your kindness and what a beautiful soul you were. Rest easy, singing in Heaven with all the beautiful Angels. Til we meet again, Fly High.

“ Tom my friend you will be missed. Last we saw each other was the '60's classes reunion, 2016 at Pipestem. We had a great time and lots of laughs. We talked after that but unfortunately didn't visit in person again. I'm sure you have already organized a band and choir in heaven and it will be a great one! You will please God when you raise your voice in song. Get things prepared for your friends as we will surely have a grand heavenly party one day.

Terry, you are in my prayers for comfort and guidance as you go through this loss. I know you take comfort in the fact Tom is now without pain or suffering and has been welcomed by those who were awaiting his heavenly arrival.

Jim,

*Thank you for your thoughts and prayers. I am at peace we had such a great time together. When playing music, he had so much fun on stage. Several friends he played music with said, "they never had as much fun with anyone on stage as Tom".
Take Care and God Bless you.*

Valerie, Mark, and Sara,

Thank you for our great friendship. Thinking about all the trips we went on and the two months of beachfront at Pensacola. We had a lot of fun. Tom loved you guys as his own family, boy do we have fun memories, it was nice to have your Mother enjoy the beach with us. Times to cherish.
