“ Hazel was a very good friend and co-worker willing to help in anyway that she could. She was a co-worker at Virginia Tech and we continued to stay in touch after her retirement from VT. Visiting every 3 to 4 months in which we would go out to lunch and enjoyed talking. My mother enjoyed visiting Hazel and on our visits they would talk for hours about McCoy. Hazel was a true and loyal friend to the end. My life has been forever changed and enriched by knowing Hazel and our special friendship.

“ Hazel was a lovely person, and a great second cousin. She and I had a lot in common and enjoyed visiting and eating out whenever we got together. We both lost our mothers in 1993, and our friendship took on a deeper meaning. Since we no longer had our mothers, holidays had to be celebrated in new ways. We would get together and with Clarence, her nephew, and his wife Beverly, to celebrate the holidays. I will miss visiting with Hazel and sending her cards and letters, and flowers. Sept. 24th., she would have been 94. It is sad to think of Hazel being absent from this world, but I know that her soul resides with God. She has only begun to celebrate in heaven! Love you, Hazel!
