“ I miss you so much I never go a day without thinking about you. I was your huckleberry girl. We had the same spirit and it's such a loss with you gone.

“ I knew Howie thru a few of my best friends.. he ALWAYS had a smile on his face. I saw him last week at ElBronco on his way home from work. He said he had to work early in the morning but that BIG smile was still there .. he told me he would see me soon. He was the kindest soul I had ever met and he never judged anyone. I will always remember his big hug and the giant smile he had for everyone. Not goodbye but “see you later” tell my mom and dad Hi! But don't tell them anything else lol

“ It will be hard for the family to go on beyond this loss. Howie was a good soul. He had a big heart and was the kind of guy that if he's on your side you know he always will be. He loved his family deeply. You can see that so much in the photos of them together. My thoughts are with all of the family and friends who loved him dearly. Today as we celebrate the life of Howie I am reminded to embrace every moment. Live your Best Life Ever! We don't know when our name will be called. My sincerest condolences to you all.
