“ *Janice and I (Joyce) have many fond and fun memories with Ila Chris! From playing starlight, moonlight and other night games, having slumber parties, swimming (a lot of alligator tag in the deep end), playing basketball, tennis, football, shopping...*

Ila Chris and I even worked together at Rustler Steak House. I can still visualize Ila in her uniform with her cowboy hat in the back room tasting some chocolate crème pie as she was slicing it.

We loved having Ila and her family come visit us one year at the Cape! I remember taking a picture of Ila, Janice and Libby sunbathing on the beach - such fun memories!

Sometimes my younger brother would call Ila up to ask her if she had any m & m's or other candy. She would immediately walk over to our house and bring him some.

Ila was a very good seamstress and cook and she made us all laugh. Janice and I and our family have been blessed to know Ila Chris! We will always remember her! Those beautiful memories will last on! We send our love, thoughts and prayers to you Carla! Thank you for being such a kind, loving and supportive sister to Ila.

I la was a recently made friend of mine, a very good friend, and I'm still in disbelief that she's gone. We became instant friends, laughed at the same things, commiserated about the same grievances, shared the same sentiments. I will miss her tremendously but know that she is at peace and without pain and suffering at last.
