“ We will miss Jimmy. We haven't had the pleasure of his visits for years now but none the less, we still treasure them. A very caring and faithful friend.

“ I remember Jim in his younger years as a very caring person. He respected his elders as we all did. I took him to my mom's home after daddy died to cut some bushes and help get her flowers under control. He enjoyed helping her and his aunt, Ms. Ruth Payne. When I started wearing my glasses more, he would call me "School Teacher". Don't know where that came from. Jim, may you finally have the peace and comfort you surely deserve.
