“ Damn it boy I miss you so bad!!!! I miss your face, I miss your smile, I miss your laugh and your voice, I miss hearing you say mom, I miss your smell, I miss the way you would just randomly act crazy out the blue, and make dumb noises, I miss you texting me every morning to make sure I was ok, I miss everything about you and everyone says it gets easier but it don't I miss you more and more and more! I have all these videos and voice clips of you but I can't even watch or listen to them because it takes my breath away to hear the sound of your voice and your pics make me feel like my heart is gonna explode out if my mouth! I just want you to know I think about you all day everyday there isnt a sec that goes by your not on my mind. I still see stuff all the time I start to buy for you, or share with you, or show to you, bit then I remember I can't because your gone and it kills me. I've never missed anything in my life like I miss you and I would give my life so that you could have yours back and the world could have you back, in a heartbeat!! Just know I love you boy! And I can't wait til we can all be together again! 💙💙💙💙💙

“ I love you Dee forever and always and I miss you more than you could ever imagine. I know, you knew you were loved, I just don't think you realized how much. I know until now I had no idea how much I love you and your brother and sister and now I have a big whole in my heart and soul and nothing or no one will ever be able to fix or heal that til I see you again, til I can hug you and hear you laugh and say "I love you mom" . My heart is broke and will never be the same. I'll always and forever love and miss you, but you will be at every single moment you were robbed of I promise you that.
