“ I remember the first time you and Jeff met. He was so shy and very Quiet. Also very good looking. You got him to talking and then it was true love. It was a love that was meant to be the moment you looked into each other eye's. I know your heart is broken and you miss everything about him.I pray that the Lord will hold you close to his heart. You hold on to him,and never let go.I love you my beautiful friend. May God bless 🙏 you during this sad time of your life. Love always your friend Linda Bailey ❤️

“ I am sorry to hear of Jeff's passing. We spoke almost daily in passing at work. Although I didn't know him personally, he was always nice, pleasant, and always spoke if our paths crossed during the day. May your family find comfort in your memories of Jeff. I will miss seeing him in passing during the work day.
