“ *I had no idea he had passed!*

Jeff was always nice to me. I remember when he'd been out and he came in and hugged Heather and I like no tomorrow. He had just driven by the bad wreck with the tree on Rt. 8, and was scared to death it was us.

He almost threw up the day I took his AR-15 apart with a quickness and slapped it back together. His eyes got so big! Loved his smile and I still laugh at how much he liked mayonnaise and pepper on things.
