

Jimmy Lee Underwood

October 19, 1960 - July 25, 2020

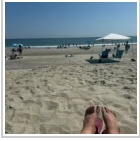

Jimmy Underwood of New Castle Virginia flew to heaven July 25, 2020 to join his mom Francis and dad Jim; and to hold his precious grandson Gabriel. He lived his life in service and protection. Jimmy was honored to serve in the USMC and continue his life's mission helping the weak and vulnerable to find stable loving homes. His life's calling was social work for foster children and adult protective services where he urgently and relentlessly advocated for and loved so many.

Jimmy treasured all children, and especially his own - Brandon Underwood; Tarenne & Chris Herron; Samantha & Ryan Wilkerson; Tessa Underwood. The beautiful grandbabies who captured his heart and kept him playing on the floor are Jaedyn Taylor, Bella and CJ Herron. Most of all, Jimmy loved Becky who he met when he was 11 years old. Jimmy leaves siblings Rob Underwood, Mike and Jack Hicks and Leigh Labbie. There are so many other in-laws, out-laws, relatives by blood or choice that made his circle whole and his world full of color and wonder.

Jimmy's spirit will live on. Every fall, he'll suit up in Lane Stadium and swagger in to "Enter Sandman". When an Eagles song plays, he'll be singing along. When we think of fried potatoes, sarcasm and caulk he will be there. And, every piece of duct tape will remind us of the many repairs he made to the invisible superman cape that he so tenderly wrapped around those in his care. You made a difference on this earth. We will see you again on the other side Jimmy Lee.

In honor of Jimmy please consider opening your heart and home to a child in need or supporting your Department of Social Services. Due to the pandemic we will have a family only remembrance. Arrangements by McCoy Funeral Home, Blacksburg.

“ I was very sad to hear that my cousin, Jimmy, has passed away. His father, Jimmy, and my mother, Margaret, were brother and sister. I hadn't seen Jimmy very much in recent years but I do know that everyone in our family knew he was a dedicated and loving husband, father, and grandfather. Our grandparents called him "Little Jimmy" and loved him dearly. I am very proud to know he chose a career in helping others. My thoughts and prayers are with all of his family at this sad and difficult time.

“ Dear Mrs. Underwood and Underwood family,

Please accept my sincere condolences on the untimely passing of Jimmy.

Professionally, as judge, I came to know Mr. Underwood in the court system in connection with his life's calling as a foster care caseworker/social worker.

Jimmy was a remarkable gentlemen with unlimited compassion for all the deserving, yet disadvantaged youth whose lives he immeasurably improved. Everyone knew and admired how deeply he invested himself into bettering the lives of others. Jimmy was always polite and prepared for court, and it was obvious he had poured hours of time, effort and heart into protecting and advancing the best interests of many young people. He believed in them and their potential!

But you and your grieving family already knew all this, far better than I.....

Jimmy's life was one well and lovingly lived; he was the very embodiment of a devoted family man, selfless professional and proud, tough Marine.

I am so grateful to have known him.....

Sincerely,

Paul A. Tucker

“ Dear Becky and family,

I am so sorry to hear about the passing of my old close friend Jimmy! May God be with you and the family during this time of loss, sadness and grief!

As you know Becky, Jimmy and I go way back! Back in the days of playing football together in the '70's, Watching old Rocky Movies together! We were like brothers back in the '80's, smoking Benson and Hedges drinking bear, tubing the river and riding around in my Chevrolet El Camino. We were there for each other all the time, then life got in the way, marriages, children and our friendship grew apart..I just want you and the children to know, that God is there for you and your family, reach out and pray for his love, comfort and support. Faith in God will help you with all the trials and tribulations that life throws at you!

Your dear friend,

“ We shared so many times when our boys were growing up together and Jimmy always ready to participate in any way to benefit the children. He brought kindness and love to those around without thinking about it. His memory will always be a positive one. Rest in Gods Hands. 🙏🙏🙏

“ I got the pleasure to have Jimmy in my life as I was one of the many children in foster care that he went above and beyond for. Jimmy would pay a monthly visit to my foster home and would always make sure I was doing okay. I have so many things to be thankful for because if it wasn't for him, I wouldn't be the person I am today. He fought the system for US! He was our voice! I loved Jimmy so much. Ever month when he came to visit, he would take me to Bruster's to get ice cream! I looked forward to seeing him every single time. He took me to my drs apts. He took me to my court appointments. He didn't have to do that, but he did! He one time told me a very personal story and in that story he told me how much four leaf clovers meant to him. To this day, that is one of the many things that make me think of him. I will forever cherish the memories I have with Jimmy❤️
