“ I was sad when I heard of her passing. I worked with Joan when I first started at Moog. It was at the South Main building. I was called to go help out at the Central Moog, which is on North Main. I never saw her again. My Daughter works at Heritage Hall. So when I found out she was there I went to visit her every time I could. First time I went to see her she knew exactly who I was. Her face would just light up when I came by to see her. I hate I didn't get out to see her before she passed. R.I.P. sweet Joan. I'll be seeing you again!

“ My sincerest condolences to Daryl & family. I worked many years with Joan @ Moog when it was located on South Main Street in Blacksburg. Joan was a sweet co-worker, but I also considered her my friend. She was short in stature, but could get feisty in a heartbeat!! She also had a huge heart & loved her family greatly. She always spoke of her son, Daryl with such pride. Even though I didn't get to see Joan after she left Moog, I have never forgotten her. I am keeping her family in my prayers. ~Karen Link~

“ I am very sad to read of Joan's passing. Her and Melvin raised a Boxer puppy from Mitch and I. His name was Magnum, and Joan loved him so. She always had a smile on her face. Rest in peace sweet Angel. You will be missed here on Earth.
