I am so sorry to learn of Joan's passing. I remember the days of her coming into the office at State Farm. She was always so pleasant to work with and always had a smile on her beautiful face. May your memories of your life together bring you peace.

“ Teeter, and family, and the Reed family, my heart breaks because Joan is no longer with us. I will miss her so much. For so very many Sunday mornings she stood right beside me in church and sang so beautifully as one of my alto partners. She was my dear friend and sister in Christ. I will miss our phone calls, her smile and happiness. I am so thankful that I got to see her before she passed, and I know without any doubt that I will see her again in heaven. What a wonderful lady she was always. My prayers are with all of you. Much love to each of you.
