

Joanne Harper Jones

March 20, 1942 - December 7, 2022

Joanne Harper Jones, 80, passed away on December 7th, 2022, in her home in Blacksburg. Joanne was born on March 20, 1942 (befittingly the first day of Spring), in Westboro, MA. Born a minute apart was her sister, Barbara, during a time when twins were rare, so the Harper twins were quite the pair in town. Joanne was the daughter of the town Funeral Director and spent her childhood raised in the funeral home. Her mother passed away when she was 7 when she was then cared for her by her older sister, Gini, who was the rock of the family. During her formative years in Westboro, her report cards often read “talks a lot.”

Joanne attended the University of Maine where she met the love of her life, Jerry, on a blind date at the Alpha Gamma Rho fraternity house. Their love affair lasted 60 beautiful years and produced 3 surviving children, Jere of Blacksburg, Timothy (Lynn) of Indianapolis and Michelle (Robert) of Charlotte and 5 grandchildren, Evan, Ellie, Tanner, Ryan, and Brady. She is also survived by sisters in law Sharon and Nancy that she considered to be sisters, brothers in law, and many nieces and nephews she adored. Lastly, she is survived by the sweetest fur baby, Lottie, who her children said she loved more than them at times. She was preceded in death by her father, Irving Harper, mother, Dorothy Conant, and sisters Barbara Minardi and Virginia Cox.

Joanne loved to laugh and make others laugh. It was not often you would find her sad or angry. She never met a stranger, was always surrounded by

friends, and would give you the shirt off her back. She will be dearly missed but she would not want us to be sad and prefer we smile and laugh at the “good times.”

The family will receive friends at McCoy Funeral Home in Blacksburg on Friday December 16 from 5 to 7pm. Joanne will be laid to rest finally at peace on Saturday December 17 at 2pm followed by a graveside service. Details will be provided later for an afterlife celebration toasting our funny, caring, beautiful JoJo. We feel comfort knowing she is reunited with her family and peace that she had a life well lived.

“ *Joanne will be remembered as a beautiful, caring, joyful, and vivacious person. She always spoke of Jerry and her children with such love, pride and devotion. Her smile and laugh were infectious and she was almost always smiling/ laughing. Joanne was the very best of coworkers and it was never a dull day at Tech Bookstore if she was working. We enjoyed visiting the downtown restaurants each work day for fun lunches along with Coach and other coworkers. Joanne was absolutely loved by all. So many friends were always dropping in on her at work to say hello and catch up. Sharing in your sadness as you remember and honor Joanne.*

“ Dear Jerry,

Please accept our sincere condolences in the passing of Joanne. What fun we had sitting in front of you two at the VT football games back in the day. It was never the same for us not sitting near the two of you. And yes we agree Joanne never met a stranger and was so much fun!

You and your family will be in our thoughts and prayers in the days ahead. May God strengthen and sustain you during this extremely difficult time.

“ I met Joanne at line dancing at the Rec Center. She made it look so easy. She was always put together even when we were sweating and laughing as we danced. She encouraged and patiently showed me again and again how to do whatever dance we were working on. Such a sweet spirit, she will be missed!

“ We met Joanne and Jerry in Lot 5 on the Virginia Tech campus. We had the good fortune of parking next to each other for a couple of years before being separated by a few rows and parking spaces. After that year, Jerry and Billy kept tabs on which space the other had requested so we could ensure we would have two spaces together. We always looked forward to the start of the football season and the many opportunities to share food and conversation with Joanne and the crew. She was such a light in the world and we will miss her. God bless her soul and deepest sympathy to Jerry, the children and grandchildren. The simple joy of having known her will keep her memory alive in our hearts. Val & Jeff St. John

“ *Nana used to tell me that when Joanne’s mother was pregnant with her and Barbara, Dorothy’s friends used to tell her half jokingly that there were 2 babies in there and they couldn’t wait for them to come along because they wanted to name the babies Olive and Oliver! I didn’t know aunt Joanne very well but she made quite an impression on me. I think she was a wonderful person. I’m sorry we can’t be there for the funeral but we will be thinking of you all as you say goodbye.*
