“ *Mr Woolwine will be missed by so many. He was always a special man and he and Patti always treated me like family. They were blessed with three wonderful kids, one of whom married my cousin, and that’s when the family thing began. I’m so glad the family could celebrate his birthday recently and he got to see his new sweet great grandson. I am sending my thoughts and prayers during this time and in the future. May God wrap his hands around all of you and keep you in His care.*  
*Love you all - Renee*

“ It was a pleasure to know Leroy. I attended church many years with him and grew up with his children. He was a kind man and I never heard a negative word come from him. He will be greatly missed by all that knew and loved him. But we have the assurance that we will see him again

I am one of the blessed co-workers of "Woolies" at Noland Company in Roanoke many years ago. All of the salesmen there were kind, knowledgeable and respectful men and fun to work with.

“ Mr Woolwine was my best friend and neighbor for almost 50years. I was eternally grateful for his wisdom for those years. we had many talks about life that no one knew about. I was getting ready to go to see him Thursday morning when I got the call that he passed away the evening before. 47 years ago he talked me out of selling my home and from then on he was My father figure. As recent as June 2023 he let me use his pickup to use as if it belonged to me. Mr Woolwine was that kind of man to everyone. He encouraged me every time I talked to him. Mr Woolwine My friend I know you are in heaven for eternity as is my wife is that passed away on June 29,2023. You were always there when I needed you. God bless the family you will always be in my prayers. I will miss him dearly but he is where all pain is gone and we need to rejoice in that.
