“ Sheri; I have no adequate words to convey my sympathy for so great a loss as you have suffered. I pray that God comforts you and your family with precious memories that death can not take. May God put His loving, merciful arms around you to hold and strengthen you as you walk through this journey of grief. Faith does not mean trusting Him to stop the storm, but trusting Him to strengthen us as we walk through the storm. Bernard and I love you and we are here for you, just ask as any need might arise. You are in our prayers, may God bless and keep you. Joy Nester & Bernard

My heart is sad to hear that Josh is not with us any more. The family and all who loved him are in our prayers. We visited Electrical Supply frequently and he was always smiles, kind and very helpful. Sweet, sweet young man. Electrical Supply will not be the same, all will miss him much.
