“ Judy was married to our cousin Bennett, and she was such a delight. I looked forward to the annual family reunion in the hopes that they would be there. She was such a life force that she lit up a room when she was around. Such grace, goodness, and kindness. I remember they had a big dog named Harley, and he was always with her...there was no doubt who he really belonged to...Judy. Kids, animals, people, they all sensed Judy was a good soul. She blessed all our lives. Our prayers and sympathies go out to Hunter Bennett and his family. May they find peace knowing that the good Lord bestowed one of his best on their family.

“ *Bennet and Family,
We pray that your faith and beautiful memories will bring you peace.*

*Judy was a beautiful, talented, and gracious person. To my Mother-in-Law, Gertie, she was the daughter she had hope to have; to David and Dan, she was like a sister. Gertie kept mementos of Judy's accomplishments throughout her school and college years that displayed her many talents, and she continued to do so as the children were born and grew into talented adults.
Out thoughts and prayers will continue to be with you.*

“ Judy was a dear friend and we shared many pleasant days as youth in Prices Fork. She was a real help with making seat covers for my old 31 Model A. She was always a great friend and one of the most pleasant people I ever met. Bob

Sure sorry to hear of Judy's passing. Since we aren't having Price Family meeting, I've kinda lost touch with folks. Judy was a fine friend and neighbor and will be sorely missed.

“ I am so very sorry to hear this sad news. We grew up together, and were in the same grade through elementary and high school. I have many vivid memories of her, even before we started school. When we were in the 3rd and 4th grades, in the old schoolhouse, my mornings were spent trying to find out if she would be going home for lunch that day. Of course, I did not want to pass up a chance to have a walk with her, and I would go home for lunch too. She was always so kind and engaging. I could never forget her. My sincere condolences to her family. --Lowell

“ Judy was the sweetest person. She is a long-time friend of our family. Any time we would see each other, we always talked about how my mom and her mother were such close friends. Rest In Peace dear Friend. I will miss you.

“ *Dear Bennett and family*
I am so heartbroken to hear of Judy’s passing. It is never easy even when the end is determined. She was my dearest friend from my earliest memories through high school when we went on to our own adventures. But when we saw each other, time faded and we could hold dear the memories we shared growing up in the Forks. Everyone who was privileged to come within her sphere were blessed by her beauty and joy of life. May our God of Grace and Peace bring Comfort to each of you as you hold her and her memory dear to your hearts.
Love and Shalom

“ *Judy could light up a room when she entered. Her beauty and grace emanated to those around her. She was a friend to all and a special lady.*
