“ Kenneth hired me as a young and very green funeral director back in 2015. I was a fish out of water coming to Blacksburg from Virginia Beach. McCoy's immediately felt like family though and Kenneth was the head of our work family. He always took care of us and I always felt appreciated. Kenneth and Vanessa exemplified what it meant to love your neighbor. Kenneth always put others before himself. After I moved back to Virginia Beach Kenneth would always call and we'd continue to have great conversations. I'll miss those phone calls. I'll miss his stories, his history lessons, his humor, and that smile. He was a great man and truly once in a lifetime and one of a kind. I'm proud to have been able to call him my boss, a mentor, and my friend. Adiós Kenneth. I'll see ya later.

To Vanessa and the entire McCoy Funeral Services family -- Kenneth was the best! I appreciated his professionalism, sensitivity, and sense of humor whenever I had the privilege of working with him when I was ministering in the Blacksburg area. He knew everyone, and the history around their stories. He put up with my endless questions about his work, and I value those conversations.

Know you are being held in light and love as you live into his memory.

Blessings,
