“ Uncle Kenneth will be missed, I didn't get to see him often as most did because I've lived away for so many years but the times I did get to spend with him were filled with love and laughter, he was so fun to be around, I love him dearly and will cherish the times we got to spend together. ❤️

“ Lesa,
I have very fond memories of our families spending many Sunday nights together after service. Sitting around the kitchen table, having dessert and laughing about any and every thing. Rejoice in the memories and the satisfaction his suffering is no more.
Hugs from our family to yours.
