“ Send thoughts and prayers to his family. He was always such a delight to be around, so funny, witty and a smart butt when needed. I'll always smile when I think of him. Rest in peace

“ I've known Jake since I was a kid. My dad used to work with him at the country club in ellet valley. He was kind of like a second dad to me I knew his son's also. He was always so cheerful and made me smile cuz he loved to joke around. I pray for peace and healing to his family, and friends I'll never forget you. Rip big dawg.

“ My condolences to the Brizendine family. I used to talk to Larry back in the days when CB radios were popular. It has been so many years, but if memory serves me correctly, his "CB Handle" was Midnight Rider. He was a lot of fun to talk with & although we lost track of each other over the years, I still remember our fun conversations. This would have been in the late 70s! Prayers for the family at this tough time. ~Karen Link~

*Jake I'm going to miss our many conversations about the family ancestors. You fed me a lot of information. May you forever rest in the arms of our Lord and Savior. I hope you had many loved ones there to welcome you home. I love you and you will live on in my heart.
