“ *Linda and the Jennelle family. I am very sad to hear of Larry passing. I worked with him for several years. Larry and I have known each other for a long time as we were both plumbers. Any way we would walk through the schools together and Larry is 6ft 6 and I am 5ft7 so we looked like Mutt and Jeff. I always was looking up at Larry. But I believe that any one who knew him would tell you he was just a big Teddy Bear. But when he was mad he was mad. Linda I know you and Larry took care of each other and I know you was good for him and took care of him as best as you could. I know you will miss him. I am so sorry for your loss and I will miss him very much. God Bless*
