“ Larry and Joyce, along with Rhonda and Dale, took me to my very first Hillsville yard-sale and flea market experience and I was hooked! Larry was such a character and very funny—I enjoyed conversing with him. He will be sorely missed.

“ I remember the first time meeting Larry in NJ...he filled the room with happiness...sharing of course, he's homemade brew! Always had great stories, always attentive and made you feel like your stories were the best! We shared the love of horses and all animals really...he and Joyce were always showing the way a happy married couple shared love and passion in regards to their family! He will always be remembered fondly with a smile and will be missed. I know he will never be far from his family and friends in their hearts!

“ I will miss our gossip sessions. He always had a cold drink and a lot of questions! He will be missed. His wife and daughter hold a special place in my heart as did he.
