“ *Please pray for one of my neighbor's family...I was blessed with a neighbor that was more like a Aunt to me and her boys was my childhood buddies Ron Duncan, Mike Duncan, Charles Duncan. I remember her driving my Momma and I to Roanoke several times to see my cleft pilate doctor and then we would grab a bite to eat on the way back home. Also I remember one year Mom and I going over to her house to bake Christmas cookies. Once I stayed over night at her house to make more room for my Aunts, Uncles and Cousins from Tennessee to stay with Mom at the house when my Dad passed away. She and my naphew Lewis Johnson helped each other out from fixing a mower to picking up groceries or going to an appointment. I will miss you Linda and your talks on the phone...Fly High My Friend and give Momma a hug for me. 💕*

“ We were second cousins. Many memories of us growing up together in the 1950's-60's. God be with her family and comfort them at this time. Rest in Peace.
