“ *I have fond memories of my Granny Long's as we were growing up, she also watched my daughter Autumn when she was little and when my Grandfather passed away my mother promised him that she would take care of Granny Long. She even moved in with her after my father died to take care of her up until a few months before my mom passed away in 2020. My Granny was heartbroken when Mom passed away but now she's finally with her in heaven. We will all have fond memories and stories that she told us as we were growing up and she will be greatly missed.*

“ I pray for the peace that passed all understanding for Aunt Mable's family and I know that our loss is Heaven's gain. We can all rejoice that she is no longer suffering from the maladies of this world as she is in the presence of her Lord and Savior. I know God kept her here as long as he did as she was useful for Him as a witness to the lost and I pray that many will still see the life she led for the Lord as an example of what all should desire to have so they will be with her and her Savior in eternity. I pray God's richest blessings on the entire family and pray all will come to the saving knowledge of Jesus Christ before it is too late. God bless one and all.
