“ *Marcus was a brief pleasure in my life ..I knew him a total of 3 days~ and it was such a familiar and warm feeling. He was struggling He was praying for an end to his suffering ..I'm not sure if it helps but he is free of the boundaries of his body and his mind ...his spirit was golden and will continue to be so as he floats weightlessly thru the cosmos ....Iam certain he is with the angels waiting to see us all again..*

“ Words cannot adequately express how deeply saddened I am to learn that my friend passed away. Marcus always brought a smile to my face, even when he didn't have one on himself. I will never be able to take a stroll in the park without glancing out and thinking of Marcus, trying to take capture that perfect photo. My fond memories I will cherish and hold dear. Rest easy my friend, and send healing and light to the rest of your friends and family.
