“ *I'm sorry for your loss. I have so many memories of Marcy. We were together all the time. I remembered we would make a snack of blueberry waffles with syrup and doritos and watch Elvis and me to late in the night. she was my best friend then. I was blessed to know her and her family. They took me in when i had no where else to go. Marcy was a beautiful person and i know she will be missed. I will be praying for you all. God bless you all.*

With love and condolences

“Grief is unexpressed love, it will remain with us until we pass. We never get enough time with each other, whether someone lives until 60, 15, or 99. So, I hope this grief stays with me because it is all the unexpressed love I didn't get to tell her.”
