“Margret was such a strong woman and she was such a blessing to have as my great aunt. These last few years she was always there for me. She called me every day. I had two Covid babies (not twins) and she called every day to check on us all. She taught me so much and gave me so much strength and advice that I will have for the rest of my life. It was such a blessing being able to be with her and Billy those last few weeks. I will forever cherish that gift. Sending love.

“ I am so sorry to read about Margaret's passing. Please accept my heartfelt condolences, Bill, and family. I worked with Margaret & Bill several years back at Federal Mogul. I learned a lot from Margaret, have thought of her many times and shared what she helped me learn about life & people many times. Truly a dear coworker & friend that I had not saw in years. I have so many fun memories of Margaret Love, Bonnie Lafon & Debbie Gallimore! Miss them all!

My thoughts and prayers are with you all. Bill, she loved you dearly and I am so happy you two shared the closeness & life you did. May God comfort and give you His precious peace.

Sincerely,
