“ My memories of Peggy go back a very long way. When I was little and living in Airport Acres, our house phones had party lines. We shared our line with Peggy and her Mom and Mrs. Bell. Three very beautiful women. I don't remember when the party line went away but I am sure Peggy was happy because I had an older sister who was almost always on the phone. And then in Sept 1981, I worked with Peggy in User Services at VA Tech. The world will be a sadder place without Peggy.
