“ *I never got to meet Mrs. Conner...but I have heard nothing but good things about her from John and many others. Her walk with Christ and her kindness are two things that I have always heard about her. May the entire family feel GOD'S loving arms around you and perfect peace in your hearts as you say, we'll see you again soon! You are all in my prayers!! Kimberly Weeks*

Aunt Margie...I haven't seen you or your family for years, but I remember coming to your house and to the Conner family reunions with my mother (Mary Faulker Trump). I can remember always feeling love/generosity at your house and your love for Jesus was so very obvious! Mom just passed Nov 12 and am sure she was there at the gate to meet you....she always loved you and Uncle Albert so very much!

Margie- You were a loving addition to my life when I married into the Hill family 59 years ago. I am so thankful for the many precious memories we shared with you and your family at the reunions you all so graciously hosted. I know Jesus met you at the Heavenly gates and we will see each other again, someday. Your family continue to be in my prayers always.
