“ *Momma,
You said when the roll was called you would be there, and the Lord called it on June 7, 2024 at around nine that morning and you were there. Oh I'm going miss seeing that beautiful smile and that giggle you always had. Thank you for always loving me and taking care of me all those years. I sure hope you would be proud of me, because I sure tried my best to take care of you. I hate you had to have dementia these last several years. I always held your hand and told you one day you will be ok. Love ya momma and I'll see you soon.
Love Ruby, Matt, Maverick and Zoey.*
