“ Mary was the grandmother of three of my students on my school bus. They became an extension to my family!! Every morning she would drive them to the bus stop. We had a special wave/ routine. Her grandchildren adored her. They spoke so highly of her and told me many stories!!! She was a huge part of their life. I am praying for the family and sending prayers and so much love!!!!

“ Mary was a fun, caring older sister. Found memories of trying to hang out when they would be listening to 45's & watching Dick Clark. Mary getting her lisencc & driving Dad's old car with the button start & stick shift. Many wonderful memories. I'm going to miss you. Love you always!💕 Cindy

“ My sister Mary and I played basketball together in high school a very long time ago. It was still half court and Mary and I both were guards (she was better than I was). We enjoyed playing together. Mary still enjoyed the sport by watching the Virginia Tech girls team as well as other sports with her husband Cary. Vicky, Cindy, and I will miss you.
