“ *Mary worked with me for years at the Radford Arsenal in Rolled Powder. She was one of the hardest working women I was ever around. When "cannin' time" would come along each year, she would NOT stop until she had put up EVERYTHING within TEN MILES of her garden too. She was a very special lady. God rest your wonderful soul, Mary. Thanks so very much for your kind words! ...this was my mom...always worked hard and was so kind and loving. Please pray for us through these times. I know she's in heaven with Dad now and no more pain, but its still so hard giving her up.
