“ *Tammy, I just wanted to tell you how sorry I am to hear this. All the memories I have of Micah when we were kids. I remember we went up there one time and he was skateboarding on the walkway and I wanted to try it. I flipped right off that skateboard and it was the last time I stepped on one :) My thoughts and prayers are with you.*

“ *Tammy, this is Carol, your cousin in SC. I am so sorry. I know the heartache and pain of losing a child. No words can begin to describe your pain. But know that God will walk with you every step of the way. My prayers are with you and the family. Love, Carol*

“ Thinking about all the evenings we spent together working on school work, having a snack, talking to your Dad about the day, and waiting on your Mom to get home from work. Then all the times I would see you at Food Loin, me you and Kristina had a real good laugh that one time (thankfully she reminded me of that visit discovering we were going to be busy soon ;)) We can't forget the post on fb that you would post to make us all hungry with your baking! Thanks for all the memories!
