

Michael Keith Herndon

September 15, 1964 - February 5, 2026

Michael Keith Herndon received his healing and entered eternal rest on Thursday, February 5, 2026, at 5:16 a.m. at the Carilion New River Valley Medical Center, Christiansburg, VA. He was born in Farmville, VA on September 15, 1964. Michael was preceded in death by his parents, Charles E. Herndon, Sr., and Ernestine Watkins Herndon.

Michael graduated from Prince Edward County High School. Knowing his mother and aunt's commitment to and support of education, Michael continued his education at Howard University earning both a B.A. in Communication (1984) and an M.A. in Student Development (1986). After returning to Farmville, Michael accepted a position at Longwood College (now University) as a Resident Education Coordinator (REC) he remained in this position from 1989 – 1995. In 1995, Michael was accepted into the Higher Education and Student Affairs program and in 2001 ten days after his oldest son was born, Michael completed his defense earning his Ph.D. As a life-long learner, in 2023 Michael continued his education and earned a master's in divinity.

Michael was employed in the Division of Enrollment Management within the Office of the University Registrar at Virginia Tech as director of summer and winter sessions from 2008 until his passing. He was instrumental in the development and implementation of Virginia Tech's first Winter Session and the Summer Start program, formerly known as Summer Academy. Prior to joining Enrollment Management, he spent more than a decade in the Department of Interdisciplinary Studies, where he served as director of undergraduate studies from 1997-2008. His connection to the department began in 1995, when he joined Virginia Tech as a graduate assistant. He later served as an academic advisor from 1997-2001 before being named assistant director. In 2002, he was promoted to director and assistant professor (non-tenure track), a role he held until 2008.

Everywhere Michael lived he was a part of the community. He was a member of the NAACP for 40 years, Alpha Phi Alpha Fraternity, Inc. for 31 years, and was the youngest member of the Prince Edward County school board from 1991-1995. Additionally, he was

a part of the Boy Scouts of America from 2012 until his passing and volunteered at Radford University's Baptist Collegiate Ministry.

Michael was baptized at 9 years old at Race Street Baptist Church. He would speak about attending morning worship services with his mother and numerous afternoon programs at Race Street and other churches in the surrounding community. At his mother's insistence, Michael began piano lessons and once his piano teacher deemed him ready, he started playing for church choirs in the community. He continued playing for choirs, at programs, funerals, and weddings in Virginia, Maryland, and Washington, D.C. up until his passing.

Michael continued his Christian walk each day by reading his Bible, praying, praising, and sharing a deep relationship with the Lord. He often recalled a quote he learned from a deceased minister and family friend, Mrs. Tricia Sowell, "Put the word of God in you before you need it, so that when you need it you will have it and won't have to go searching for it." Michael and his family attended church services and made life-long friends at St. Paul AME (Blacksburg, VA), Christian Growth Center (Christiansburg, VA), and most recently St. Paul UMC (Roanoke, VA).

Michael leaves to cherish his memory in his beloved wife of 28 years, Jean, and their two sons, Kyle and Sean. His sister, Charlotte Womack and his brothers, Charles Jr. (Wilma) and David Woodson, a devoted god-sister, Angelia Farmer, and former sister-in-law, Carrie Herndon. Michael was adored and loved by his nieces and nephews, Tracy DeBeary, Shabie Anouar, Sonya Woodson, Alma Spragues, DeWayne Herndon, Jon Wilson, and David Woodson, Jr. He will also be remembered by Jean's parents, Deacon Simuel (Les) and Betty Booker, her siblings, Demetria Saunders (Robert), Simuel Jr. (Theresa) and Anthony. Michael never considered them as in-laws but "bonus" parents, sisters, and brothers. Michael was deeply loved by his extended family to include his great-nieces and great-nephews, cousins, and other extended family members. Michael had numerous lifelong friends including Novey Wiley and Dr. Benjamin and Rev. Carolyn Dixon.

Michael was a beautiful representation of being the hands and feet of Christ. He loved and cared for others above himself and was able to brighten any room with his infectious personality and warmth. He rarely turned down anyone who asked for a favor or assistance. He was beloved by his students, many of whom continued to stay in touch with him years after their graduation.

He will be missed by family, friends, and all who knew him. Michael's passing leaves a hole in our family which can never be filled, but as he always said...

“ *Such a beautiful soul! Prayers to your family on the loss of such an incredible man. I worked with him a few times in his final weeks and he was so sweet. He sure loved his family. We laughed together one day about what he called the "killer fish" on his lunch tray and made up a story about it (because it was so dry and we tried to jazz it up). Thank you for sharing his beautiful life story.*

“ Dear Jean and family - Sending the deepest heartfelt sympathy to each of you. When I learned this news, I was broken, as I have never met such a kind , loving, compassionate person as Michael Herndon. I am so blessed to have worked with him so many years in Lane Hall (what happens in Lane, stays in Lane we would joke). Oh how I loved his laugh. May it bring each of you peace knowing how many people's lives he touched with his kind heart. Praying for peace as you walk through the days ahead.

Much Love,
Carol Sue

“ Dr. Herndon was my academic advisor when I was majoring in interdisciplinary studies at VT back in the late 1990s. He then served as a practicum advisor for me while I was in graduate school working on a masters in Educational Leadership and Policy Studies and even allowed me to guest lecture a class he was teaching. We stayed in touch over the years and he served as a mentor and friend to me while working in higher education. Michael was truly the nicest person and was always there for myself and others. I am forever thankful for his patience and willingness to pour into my life. My testament to his love and commitment to others is just one of surely thousands of lives he impacted during his time at Virginia Tech, he embodied Ut Prosim. - Clay Adams

“ I have never met someone who was so suited to a role as Michael was suited for Virginia Tech Summer Academy. He loved the students and respected the faculty. He found great joy in following the success of all the students who came through the program. He demonstrated care, encouragement, and steadfast Hokie "that I may serve" ethos in each task and person he touched. His loss is a great loss for Virginia Tech. I shall miss my friend. Fly high Michael!

“ I was honored to work with Michael on the executive board of the Montgomery, Radford City, Floyd NAACP where he was first vice president. Michael worked very hard for the branch, finding wonderful speakers, helping to organize the Freedom Banquet, and cheerfully doing anything else to advance the lives of African Americans. Such a good man. I will miss him.
