“ Reflections of our beloved church Mother Deaconess Lewis  
When we think of Deaconess Lewis, remember her for the good  
times; the times she laughed and loved;  
Remember her for the smiles; for the times she listen and cared.  
Remember her for the times she did her best, in the best way she  
knew how.  
Remember her for the courage to fight on when life was winning.  
But most of all, when you remember her think of the joy that we will  
share when rise together in Christ.

So sorry for your loss...Praying you'll have quiet times for healing  
tears to soften the heartache. Moreover, for God's love to fill the  
empty places and bring you peace.
