“ *Aren't we all just so lucky to have known Nancy? Nancy was a fun, talented teacher with an amazing personality. Her students and coworkers all loved her. She always had something clever & witty to say to make me feel better on rough days. It was a pleasure, and honor, to get to spend many years working with Nancy at CES. My love and prayers to her family and friends.*

“ I graduated with John and knew Nancy. She was one of the sweetest girls at our high school. I cannot recall a single person who didn't like her. She will certainly be missed by her family, friends, and former students.

Our world needs more folks like her. May she rest in peace.
