“ I met Nancy many years ago . The Maxeys lived in our community of Chamblisburg, Bedford County. Her sister Martha married my Uncle Alvin Moles. All three sisters were so sweet and tagged them the Maxey Sisters. I had the pleasure of seeing her periodically though the years when they would get together for visits. Prayers for everyone that loved Sweet Nancy. Laura Saunders Hubschmitt

“ I met this lovely lady through my aunt Martha Maxi Moles many years ago. I think it might've started with Nancy's mini crafts. This breaks my heart to read this about her passing. Several times my mother, Mary Moles Williams and I would stop by Nancy's home in Blacksburg for a visit. The Chamblissburg community in Bedford County, where Nancy and her sisters grew up was a small community and these girls were known by many.

“ Nancy was a beautiful soul inside and out. I thank God for allowing Nancy to come into my life. God has truly taken an angel home. Nancy loved Ray and Allen with all her heart. Always had something great to say about them and always had a smile on her face. May God hold each of you and the family close during this very difficult time. May he give you comfort knowing that Nancy is setting at the throne beside God. Prayers to Ray, Allen and all the family. God Bless.

Nancy & I met when we came to work at the VT Controller's Office in 1984. We both worked half-time and we tried to have lunch once-a-month at Panera. We shared stories of our children, grandchildren as well as solving all the world's problems. She was the sister I never had and we loved each other so much. My thoughts & prayers are with Ray, Allen, Anne Marie and Emma Ray. She loved being a grandmother! Watch over us sweet friend.

“ Nancy has had an impact on so many! I was one of many students she adopted from VT. My time at VT was made better because of Nancy, my Blacksburg Mom as I lovingly referred to her. Although my student days ended long ago, she and I always kept in touch. Heaven gained a special lady when Nancy walked through those gates. Alan and Ray and the rest of the family - hugs and prayers to all of you during this time! ~Lisa Brown

“ *There was seldom a Sunday that going home from church we did not comment whether or not Ray and Nancy were at Church. Then did you hear from them. The past three Sundays she had been so happy to be at church. She and Ray came to the Young at Heart cookout. She was so happy to be there and feel the warm sunshine, eat the burgers and ice cream. She and Ray enjoyed the music, too. She will be missed by the Rettigs. BUT I bet Nancy is doing cartwheels down the golden streets of heaven!*
