“ Our love and thoughts go out to the family of Norman, He was a wonderful man. I remember the years of living up on Bunkerhill and they lived across from us. And we went over there all the time and was always welcome in their home. Those were great times. We will never forget him and he will always be in our thoughts and prayers. And may god be there with you as the healing begins. Its hard, But it will get better. It gets better but you will never forget. Especially the love you all shared God bless you all!!
