“ He was a really good friend that helped me when I needed it most. Starting up a new business with Bud beside me made it a heck of a lot easier. Hunting, fishing, four wheeling, going to races, or just having fun. And he was a good neighbor who took pride in his family and his home. If you knew him you would never forget him. I won't. He had a name for everybody. He called me Old Man.

Bud you only had to meet him once , he was a genuine human being with a big heart, he could fill up a room with his big laugh , his jokes. I'm a better person fir knowing him.
