“ My sympathy and prayers for all the family. Peggy was always like the shining sun when she visited my family, and she would talk to my mother on the phone for hours, just to brighten Mom's day, when Mom was diagnosed with terminal stomach cancer. Peggy was the life of the party everywhere she went...no matter how bad she felt, she would always have us laughing with her jokes and tales. I will miss her phone calls, but I am so thankful she will not go through any more suffering now and she has received a new body. Fly high with the Angels, Peggy until we meet again in Heaven.
