“ My Dear friend Peggy I can't believe your gone. You and Frank were our first friends. My heart hurts because we didn't see much of each other. But the beautiful memories I have of you is mine to keep. The kids could not believe your gone. Joe,Keith and Heaven. I remember our trip to NYC with us. How big your eyes were taken in the site. Also how we all did Sunday School together at Sugar Grove. You , Frances, and myself. We had such great time. There are more. You was and are one classy lady. But the love 💕 for our Father above was number one in your heart . The love ❤️ you had for Frank and family and non family was the greatest love of all. My dear sister and friend you will never be forgotten. Our love 💕 goes out to you Frankie and the family. We are here for you. My the Good Lord welcome you with open arms. God bless you all

“ We are very saddened to hear of your recent loss. We hope this living tribute will bring comfort to you and your family. We are thinking of you and your families as you celebrate your loved one’s remarkable life and the memories you shared. My heart goes out to you and your family at this difficult time.

I'm going to miss you so much my friend. I wanted to talk and laugh with you some more. You're no longer in pain but at peace with God now. You're gone from our sight, but never from our hearts. Now you are in God's hands talking and laughing with him. There are no goodbyes for us. Wherever you are, you will always be in my heart. I can't wait for that day to meet you there.

From a Broken Heart! You're Friend Forever,
