“ I am so very sorry for the loss of Raymond. He was family but also one of the good guys you meet in life. Always dependable; always funny. He and Jean were both so wonderful to us as kids and I've never forgotten that. I hate that we lost touch over the years having moved out of state, but the memories will stay with me for eternity. Keeping Jean, William, Debbie and Karen in my prayers.

George and I knew Raymond very well. We worked with him at Federal Mogul. He also did lots of work for us. He was always so kind and dependable. He would come to our home to work and have his dog in the truck with him. He would run the air conditioner in his truck the whole time to make sure his dog didn't get hot. Many prayers for his family and friends.
