“ *Aunt Reba was the first one to teach me the guitar. I was staying with them when I was around probably 9 or 10 years old while my mom was visiting my dad in the hospital. She taught me 3 chords and the old song " Do Lord", from there I started playing the guitar for the rest of my life, and still do. She was one of the kindest person I ever knew. I know she is rejoicing in heaven with her sister (my Mom) and the rest of her loved ones that have already gone on to heaven waiting on her.*
