“ My deepest condolences to you and your family. Rickey was such a wonderful man to have known while working at MOOG. I will miss saying good morning to him and telling him how the roads are when the weather was bad. You all will be in my prayers at this time.

“ We will forever miss you Ricky. We loved you like our own. Such a godly man, who would help anyone in need. He loved Jennifer deeply. His children meant the world to him and his precious grandchildren he loved so very much. We will never forget the fun times that we had when we camped together. I will forever remember our last hug and a kiss on the cheek. You always hugged and kissed me bye, but for some reason on Saturday, your hug seem a little tighter. I will forever cherish that. We love you and our hearts are broken, but we know that God will walk with us daily to get us through this very difficult time. When I see a star flicker or a beautiful cardinal, we know that it is you watching over us. We will see you again. We love you.
