“ I have missed Rita since her retirement from St. Albans. She was the best boss I ever had the pleasure of working for. Her compassion and sense of humor will always be remembered by me and the kindness she showed me repeatedly throughout my 28 years of working there. I was not aware of her illness and was so sad to hear of her passing. She will be missed by those of us whose life she touched. I wish I could have been there today but I could not leave work due to being off so much for my recent illness.

“ Sue and I had the honor of being Lynn's and Rita's neighbor's for 8 years in Florida. We can talk to them and visit them anytime. Rita was a blessing in so many ways. Everytime the door bell rang, we knew it was Rita with some food she just cooked or baked with a big smile. As we go through life the Rita's seem to be less & less. Sue & I will always be grateful for the precious gift God sent our way. Her name is Rita. Prayers of peace and comfort for Lynn & family.
