“ We just learned of Bobby's passing and wanted to extend our deepest sympathy for your loss. Our dad and Bobby started out with Hennis together as partners and finished off together with Spector. We will remember Bobby with a smile and good thoughts which is a good remembrance of a good man and a good life. Please know you and your family are in our prayers . We know they are catching up and remembering good times.

“ This is Gary and Linda Scott. We bought our house from Bobby about 50 years ago and than had the wonderful luck of living across the road from him for many years. You could look far and wide and could never find a more wonderful neighbor. He had every tool imaginable, could do any type job around the house and was always willing to help us with any project. He loved children and my grand children always loved to see him in the yard and he always stopped his tractor and took time to talk to them. He moved away a few years ago and it hasn't been the same since he left. He smiled all the time and I never saw him in a bad mood. I regret that we didn't see each other once he moved because when you were around him, he always cheered you up. We sure lost a very very special friend. They don't make them like Bobby And Cornelia Sifford anymore Our prayers and love are with the whole family. You had a one of the kind Dad and Bobby blessed everyone he was around. Love Linda and Gary Scott

“ My name is Eddie Wimmer, and I would like to send my condolences to the family and I am sorry for your loss. My Daddy, Lamer Wimmer, drove for Hennis the same time Mr. Sifford did. I am so sorry that I didn't know that Mr. Sifford was still living because I would have liked to have good conversations with him about the good old days at Hennis. I know they had a hard time driving those trucks thru the roads of va, west va., and Ohio. I remember Daddy talking about a place called Hawks Nest and wondered if hawks really lived there. Daddy talked about drivers he rode with with and the two names I remember where Bobby Sifford and Dennis Young. I am 76 years old and have lived in Shawsville since 1970. Some of the times I remember is that Daddy would stop at Teel Chevrolet and tell Mom that he would home in a little while. I also when I was about 15 or 16, I would go to Hennis on the old Lynchburg Turpike and pick up his check when was on the road and bring it home to Mom. I am sure he would have some stories like that to talk about. Thank you for letting me share some of things I remember about Hennis. God bless the family and I am truly sorry for the passing of Mr. Sifford. I hope you and dad can get together in heaven and remember the old times.
