“ My condolences on the loss of Bobby. Bobby has been a good friend of mine for many years and it was a pleasure to have known him. Bobby was very instrumental in helping my family and I build our house in Pulaski County some 22 years ago. We have spent many hours together working not only on my house but other jobs also. There was not anything he did not know about plumbing and was also a very good electrician and was very mechanically minded. I will forever miss him along with his family and friends and will continue to pray for Jennifer, family and friends.
